Proudly Announces

Workshop on "2D and 3D Echocardiography"

6th May 2017

Board Room, AIIMS, New Delhi

02:00 – 03:30 PM

WORKSHOP ON "BASIC 2D ECHOCARDIOGRAPHY"

✓ 2.00 Pm - 2.15 PM : Introduction to Echocardiography

- Yatin Mehta – Chairman, Critical care And Anaesthesiology, Medanta – The Medicity, Gurgaon, HR

✓ 2.15 Pm - 3.15 PM : Knobology and Transthoracic Echocardiography Views: Aortic and Mitral Valve

- Rakesh Gupta - Director & Chief Cardiologist of Echo & Color Doppler Centre, JROP Institute of Echocardiography, Ulltrasound & Vascular Doppler, India.

✓ 3.15 Pm - 3.30 PM Transesophageal Echocardiography Views

- Poonam Malhotra Kapoor - Professor, Cardiac Anaesthesia, AIIMS, New Delhi

03:30 – 06:00 PM

LIVE THREE DIMENSIONAL ECHOCARDIOGRAPHY WORKSHOP ON: "3D IMAGE ACQUISITION AND INTERPRETATION WITH TROUBLESHOOTING AND HANDS-ON"

✓ **3D Knobology, Image Acquisition and its interpretation with hands-on**

- K.K. Kapur - Senior Cardiologist, Apollo Indraprastha Hospital, New Delhi
- Vinayak Aggarwal - Associate Director, Department of Non Invasive Cardiology, Medanta – The Medicity, Gurgaon, HR

✓ **3D Echo (TEE and TTE of Mitral Valve) with hands-on**

- Vinayak Aggarwal

✓ **3D Echo (TEE and TTE of Aortic Valve) with hands-on**

- K.K. Kapur

6.00 PM onwards: HIGH TEA
